## **Geography Kidgate Academy 2025**

**EYFS** 

Can I talk about where I live and the features of my local environment? Can I recognise that some environments are different from the one I live in?

Can I draw information from a simple map?

Can I talk about and describe the effects of the changing seasons?

Can I use my senses to describe my local environment

I explore the natur world?

Do I know some similarities and differences between the natural world around me

Do I understand the change of season and the

impact on the natural environment? KS1

Local Area: Where am I in the big wide world?

**Climate:** What is it like to live in the UK?

Children will have developed the geographical knowledge and skills to help them explore, navigate and understand the world around them and their place in it.

Children's knowledge and skills will develop progressively as they move through the school, not only to enable them to meet the requirements of the National Curriculum but to prepare for secondary education.

**Natural** Resources: Where does our food come from?

Volcanoes, Earthquakes & Mountains: Why do people live near volcanoes?

Settlemen s: What are the different types of settlement?
