Long Term Overview – Geography

With geography, we can weave the world together.

Geography Long Term Plan 2025-26

	Autumn	Spring	Summer
EYFS	Can I talk about where I live and the features of my local environment? Can I recognise that some environments are different from the one I live in? Can I draw information from a simple map?	Can I talk about and describe the effects of the changing seasons? Can I use my senses to describe my local environment?	Can I explore the natural world? Do I know some similarities and differences between the natural world around me and contrasting environment? Do I understand the change of season and the impact on the natural environment?
Yr1	Local Area: Where am I in the big wide world?	Climate: What is it like to live in the UK?	Human and Physical Features: What is it like to live in Egypt?
Yr2	The world & climate: Where are we in the world?	Physical & human & landmarks: What makes our world wonderful?	Physical features & UK: What is life like at the coast?
Yr3	Climate: What is it like in Antarctica?	Settlements: What are the different types of settlement?	Volcanoes, Earthquakes & Mountains: Why do people live near volcanoes?
Yr4	Settlements: Are all settlements the same? (only 2025)	Biomes: Why are rainforests important to us?	Rivers: What are rivers and how are they used?
Yr5	Energy sources: Where does our energy come from?	Human & Physical features: What is life like in the Alps?	Oceans: Why do oceans and seas matter?
Yr6	Biomes: What impact do humans have on biomes?	Human and Physical Features: South America	Independent study: What is my journey to secondary school?
